

Better go home (say NO) Music & Lyrics by Henning Sauer © 2023

// C (3.B.) F (8. B.) // // C (3.B.) F (8. B.) //

When that stupid work is done
and the last ideas have gone
– better go home

When he touches You all the time
but you feel that it isn't right
– better say no

When your friends talking always the same
and you feel such ashame
– better go home

When they force you to go to war
but you just want to live in peace
– better go home

Last night you have drunken too much
but you still can't get enough
– better go home

When your father always think it's right
but you know that he is wrong
– better go home

Chorus:

//G Am Dm7 G

You can do whatever you want
but don't waste your time
You can stay wherever you like
but don't waste your life...

You can do whatever you want
but don't waste your time
You can stay wherever you like
but don't waste your life...

//G Am Dm7 G
G Am Fmaj7 C // to G

You can do whatever you want
but don't waste your time
You can stay wherever you like
but don't waste your life...
