

Like a one way bottle

(c) Music and lyrics by Henri Sour alias Henning Sauer  
Bass, Guitars and Drum programming by Henning Sauer

There has been the day  
I have always waiting for  
you've been standing there  
like the morning sun

you've been opened the door  
to the chamber of my heart  
I've once lost the key  
but you have found it on the floor

Since that day  
the world has changed  
you've given me hope  
you've healed my pain

But sorry- maybe -  
I'm not your "family man"  
I'm like an instant coffee  
for you...

Like a one way bottle  
you've pick me up  
and throw me away  
but even though  
everything has changed

I love you  
I love you  
I'm missing you  
my love

Can't buy you a car  
can't buy you a house  
but do we have to go so far?  
Let us enjoy the time  
let us be together

for one night  
for one night

Like a one way bottle  
you've pick me up  
and throw me away  
but even though  
everything has changed

I love you  
I love you

I'm missing you  
I'm loving you...
